Maharashtra National Law University, Aurangabad

Established under Maharashtra National Law University

Act, 2014

Department of Management,

Maharashtra National Law University, Aurangabad

About National Law University

National Law Universities (NLU) are public law schools in India, founded pursuant to the second-generation reforms for legal education sought to be implemented by the Bar Council of India. The first NLU was the National Law School of India University aka NLS/NLU Bangalore which admitted its first batch in 1988. Since then, most of the states in India have NLUs. Since the inception of NLUs, these law schools have continuously been ranked as India's most prestigious and premier law schools by various agencies and are also referred as IITs of Legal Education.

About Maharashtra National Law University, Aurangabad

The State of Maharashtra realizing the importance of quality Legal Education and need for well-trained Law Graduates in the Bar and Bench took a decision to establish three National Law Universities in the State of Maharashtra at Mumbai, Nagpur and Aurangabad in the years 2015, 2016 and 2017 respectively to cater the needs of quality legal education. All three National Law Universities are independent and autonomous in nature and are established by virtue of the Maharashtra National Law University Act, 2014. The Maharashtra National Law University, Aurangabad commenced its operation from March 16, 2017. The Maharashtra National Law University, Aurangabad being an institution of national importance has fulfilled

the aspirations of the people of the Marathwada Region. The University has 50 acres of lush green campus at Kanchanwadi, Chhatrapati Sambhajnagar (Aurangabad).

Programmes

Offered by

Department of Management,

Maharashtra National Law University, Aurangabad

TWO YEARS EXECUTIVE MBA (LAW OF FINANCIAL SERVICES AND FINANCIAL TECHNOLOGY)

Financial services are an ever-evolving industry governed by various Laws and regulations from regulatory bodies. Understanding of Law along with the knowledge of financial management is desirable in the dynamic business setting. Additionally, FINTECH is an emerging area that integrates Technology and Finance for efficient delivery of Financial Services. It will change and disrupt the way business is done by banks, insurance firms, non-banking finance companies (NBFC), payment banks, stock trading and investment advisory firms. There is a huge potential for the candidate having a strong foundation financial services, FINTECH and Laws governing the industry. At the same time there is scarcity of institutions offering blend of knowledge of financial services and FINTECH along with Law.

TWO YEARS EXECUTIVE MBA (MEDICAL LAWS AND HOSPITAL MANAGEMENT)

Healthcare industry is one of the growing service sectors. Pandemic made us realize the importance of healthcare in general and hospital in particular. The industry is expected to grow at tremendous rate. There is a huge demand of professionals to efficiently manage the industry which is expected to grow manifold. However, there is scarcity of the well-trained workforce for the same. There are some institutions offering course only on hospital administration however uniqueness of this program at MNLUA is it will provide a complete blend of related Law courses in the curriculum. Additionally, the programme also covers the valuation of hospitals and other healthcare firms.

TWO YEARS EXECUTIVE MBA (FINANCIAL SERVICES AND COURT ADMINISTRATION)

Financial sector comprised of commercial banks, non-banking financial companies, insurance companies, mutual funds, cooperatives, pension funds along with brokerage firms which deal

in financial market. The sector is witnessing strong and accelerated growth. With various reforms government has liberalized the industry. Indian financial sector is making significant contributions to the world economy. Financial services industry is governed by strict rules and regulations to make it fair and beneficial for investors. A blend of Law and Management education is necessary for critical decision making in a dynamic and volatile business environment within the permissible limit of legal system. The understanding of business of financial services firms as well as Law is required for efficient functioning of the system. Executive MBA in Financial Services, students will develop an analytical approach to the intricacies of finance and business, be able to seize the digital opportunity and learn to manage risk and drive profitability in the rapidly transforming financial services institutions. Furthermore, there is huge demand of such professionals who have understanding of Finance as well as have command on court management. There is scarcity of Institutions offering court management skills. The Executive MBA Programme (Financial Services and Court Administration) will inculcate all the necessary skills in students with

which they can perform efficiently in both at corporate as well as at administration of court.
